

Tolland Animal Control Presents

Black Bears in Connecticut

Please join us for this free presentation which will focus on the natural history of black bears in Connecticut. An overview of black bear habitat, diet, behavior, reproduction, and current research efforts will be given. Practical recommendations for optimum coexistence with our black bear population will be discussed. Black bear artifacts will be on display.

**Friday, May 5th, 2017
7:00 pm**

**Location: Tolland Fire Dept. Training Center
191 Merrow Rd (Route 195)
Tolland, CT**
